

# 12<sup>th</sup> HeiKaMaXY

in Heidelberg on May 16, 2025!

AWI 00.010, Bergheimer Straße 58, 69115 Heidelberg

We're happy to announce that the twelfth *Heidelberg-Karlsruhe-Mannheim Experimental Workshop for Young Researchers (HeiKaMaXY)* will take place on Friday, May 16 in Heidelberg.

The HeiKaMaXY is a format that aims to bring together young researchers (PhD students, post docs and assistant professors) from Heidelberg, Karlsruhe and Mannheim for one day to discuss both complete papers and research ideas in Experimental and Behavioral Economics. It is designed to complement the existing HeiKaMaX workshop.

We explicitly encourage presentations of early-stage ideas and hope to provide a relaxed environment that emphasizes networking among participants through long coffee breaks, a joint lunch and optional dinner/drinks after the workshop.

Interested PhD students, post docs and assistant professors are invited to **submit an abstract to one of the organizers by May 9th**. Please indicate whether you want to present a full paper (30 min) or a research idea (20 min).

We are looking forward to seeing you in Heidelberg!
